SPRINGDALE.

Dr. G. W. Hook made a business trip to Maysville Monday.

The long dry spell is seriously hindering the farmers in their spring work.

Mrs. Eliza Ambrose of Tollesboro is visiting relatives here and at Plumville.

Misses Maud Elliott and Lottie Outten were shopping in Maysville Saturday.

Mr. C. C. Degman visited relatives in Fleming county Monday and Tuesday.

Misses Fannie and Lola Webster of Pleasant Ridge were guests of relatives here for several days recently.

Mr. and Mrs. D. S. Gillespie and family came down from Tollesboro Sunday to visit Mr. and Mrs. Robert Girvin.

Prof. Edwin Boggs will deliver a lecture at Pleasant Hill Schoolhouse Wednesday at 7 p. m.

Prof. Boggs is a young man of rare ability, considering the fact that he has been blind from infancy. He is an energetic Christian worker and his lecture should be well attended.

Mrs. Cynthia Simpson Little, after spending a week with relatives here, left Sunday for Manchester, where she will devote a month renewing old friendships and revisiting the scenes of her youth, one of the most delightful of which will be her childhood's home—the fine old country place now owned and occupied by Mr. C. B. Pearce.

Mrs. Hattie Sylvia and son, Marshall, were visiting friends in Maysville Saturday.

Mrs. P. F. Martin came down from Fleming county to visit relatives the first of the week.

During the brilliant electrical display of Saturday night last a number of our rural citizens were aroused by what they first thought were cries of distress. Then as one by one they rushed out, only to see sparks, almost rivaling the heavenly display, flying from the heels of a meteor-like passing Roisante, they concluded that it was a traveler trying to catch a train and calling to it to wait. Later on, however, they discovered to their chagrin that it was simply a belated young man singing at the tip-top of a very sans-musical voice.

Mrs. H. L. Hamilton, who has been ill for several days, is much better this morning.

Mr. John Johnson was receiving yesterday at his warehouse in Wall street a purchase of 30,000 pounds of tobacco that for quality and beauty will compare with the best that has been brought to this city in years.

After having spent the winter at the home of her mother, Mrs. Louis January, in West Front street, Mr. and Mrs. Clark Rogers and children will return the latter part of the week to their delightful summer home in the West End.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SENSATION!

Created in Piano Circles By Smith & Nixon Co.'s Piano Sale

The Only Bona Fide Factory Sale
Now in Progress in
Maysville

Dealers and Agents Trying to Get
Under Cover

The Break in Price on a Lot of
High Grade Pianos Clearing
Out Stock

Sale at John I. Winter's, 42 West
Second Street

The fact that we are retailing high grade pianos at a wholesale price has caused a sensation in Maysville piano circles, and you can readily see why some piano agents here have to break out in foolish abuse. It is because we are selling you a piano as low or lower than they can buy it to sell, so you see why they are trying to get under cover. Because they are not in a position to compete with us we have sold so many pianos since we have started this sale and the abuse is pinching; you can see it. Pay no attention to any agent that calls and tries to keep you away from this sale; they are not looking after your interests but their own. We are having a bona fide factory sale. We are selling high grade pianos at a wholesale price; we can do this because we are the manufacturers. We will save you Mr. Agent's immense profits. We are responsible, and refer you to any Maysville Bank or Dan's or Bradstreet's Commercial Agencies.

Notwithstanding the onslaughts made by the unkind brethren we are having a most successful sale. Everybody knew our line of pianos were all right and reliable, so we just cut the price to a point that has brought us the best trade. Our prices have been cut so low they defy competition, and because of this it has caused quite an eruption in piano circles. We have sold many fine pianos within the past few days, and will continue to close out the balance of the stock during the next few days.

Our terms are very reasonable on the entire stock. A reasonable cash payment and small monthly payments will bring a fine piano to your home.

Stop in and see the \$275 piano we are offering for \$187. Open evenings. Remember the place, John I. Winter's salesrooms.

The End Of the Smith & Nixon Piano Co. Factory Piano Sale is Here.

Only 3 Days More of Retailing Pianos at Wholesale Prices.
Call Before Sale Closes Saturday, May 5th, at 10 P. M.

The closing hours of the Smith & Nixon Piano Manufacturing Company's factory piano sale are here, and while many have been sold, there are a number left. Most of them are the best makes and styles.

We are not going to take the time to consider what they are worth or should sell for. We will not be in a position to retail at a wholesale price much longer.

Just come this evening or tomorrow and see how low you can buy a piano.

THE PRICES ARE TOO LOW TO ADVERTISE AT THIS TIME!

As it would interfere with the work of our agency after the sale. Why wait and pay some one a handsome profit when you can save more than the middleman's profit by buying now? Out they go at some price. Shrewd buyers will take advantage of this last offer, so you will do well to call the very earliest hour possible. A fine \$275 Mahogany Piano for \$187. Also, Organ and Square Piano, taken in exchange, that we will sell at your own price and terms. Cash or easy payments. Remember, the sale is at
